Corporal Brown -

Though I mentioned on the date of the trial (4/14/08) how much I appreciated your help, I wanted to thank you again for your patience and diligence in serving the citation, appearing in court to testify, and being fair and balanced in your approach throughout the process.

Regards,

Brion Barnett

Brion,

I served your traffic citation (189302) to Eric Janoe last night at about 1900. By the driver's statements, I imagine it will be contested. I'll let you know if I receive a subpoena for traffic court. You will need to contact WC Records for a copy of my report however I'm uncertain what their criteria is for releasing the information. The case number is 07-522101.

Regards,
Corporal Steve Brown
